Request for Quote

Construction of a washroom and shower facility

The following request for quote (RFQ) is being issued by Fern Valley Recreation Commission with the Municipality of Grassland. The purpose is to find an experienced professional contractor to construct a washroom and shower facility at Whitewater Recreational Park, 2KM east of Elgin.

RFQ Timeline

Issued on: Monday, January 16, 2023

Closing Time & Date: 4:00 PM, Friday, February 8, 2023

Background

Whitewater Recreational Park, located two KM east of Elgin, has gone through two phases of expansion since 2020, upgrading from eighteen (18) non-serviced campsites to twenty-eight (28) full-service sites. The expansion has also included the installation of a new playground and playground equipment on the beach. The final phase of the current expansion is to construct a new washroom and shower facility in a central location at the park.

Project Scope

1. Construction of a fourteen foot by twenty-eight-foot (14' x 28') washroom shower facility to be located at Whitewater Recreational Park
2. Building would include three gender neutral washrooms each with one toilet, one sink and one shower; two to be standard size, one to be barrier free
3. To be tinned, have 36" doorframe with swing in exterior doors, each with their own deadbolt from the inside
4. Does not require insulation
5. Building to sit on a cement pad with a five-foot (5') walkway in front of the exterior doors
6. To include all supplies, permits and labour including plumbing and electrical

The project materials are to be purchased and invoiced prior to March 31, 2023. The project will commence as soon as the weather permits with the project being complete and operational no later than June 1, 2023. Not-to-scale diagram included.
