Thank You

I would like to start off by thanking Kathy Vodden for hiring me as I started my career with Hartney Sunrise Credit Union in May, 1987. I would also like to acknowledge all the wonderful people in this community and surrounding area that I have had the pleasure of serving over the past 32 years and 7 months.

My family is very excited that I will now have more time to spend with my 12 grandchildren as they grow up so fast.

Finally I would like to thank the present staff at the Hartney Branch for helping me to make the decision to retire and wish them lots of luck in the future.

- Ruby Bertholet.

Congratulations to the Class of 1998,

who have already entered or will enter into their Fabulous 40's in 2020.

As a Manitoba 150 project, there have been donations of \$40 made to several organizations/charities in the Hartney Area in your Class name.

(Legion, Golf Course, Splash Park (Swimming Pool), Hartney School, Minor Sports, Library, Museum and Hartney United Church.)

THANK YOU

To everyone who called, brought flowers, cards and food to me in the loss of my dear sister Betty. It was really appreciated.

- Lorna Peake

Hartney United Church "Twice As Nice" Thrift Shop

The idea of a thrift shop for Hartney United Church became a reality on June 20, 2018. We are now open for shopping Tuesdays 1 - 5 and Thursdays 1 - 7.

The shop is located in the Forbes Hall and the basement of the church.

We have a bin behind the church for donations to be dropped at any time.

Our shop also tries to help out in other areas as well as our own church. We are happy to be able to help contribute items to Samaritan House, Mary's House, Winnipeg Main Street Project, Westman Women's Shelter and an orphanage in Haiti through Linda Tribble.

We are very appreciative of all the support we have received. The donations make it all possible for sure, and the volunteers who sign up to help. If anyone is interested in helping out for a few hours a week or a month please stop in and sign up!

We always have lots of treasures waiting to be found.

You're at home here.

February 2020 Hartney Legion (Branch #26) Report

◆ History

The 75th Anniversary of the Liberation of Holland Part I "The Hunger Winter" excerpt from Crossing the Rhine World War II

For a few heady days in September 1944, all of occupied Holland believed liberation was imminent. But then the Allied airborne assault of Arnhem failed, and the Dutch rail strike called to support it backfired. The Germans, avenging the strike in the provinces they still held north of the Rhine and Waal Rivers, imposed a reign of terror on 4.5 million people — 40 per cent of Holland's population. The ports of Amsterdam and Rotterdam were wrecked by demolitions. More than 120,000 men were rounded up and sent to German labor camps. The Germans had been systematically commandeering food from the Dutch ever since the start of the Occupation. Now they stepped up their looting and clamped a virtual embargo on food shipments from the farmlands to the urban areas. Coal supplies, gas and electricity were also cut off. There German intent was clear: to starve and freeze the Dutch into submission. In the hard-hit cities, the Dutch pinched and improvised to combat hunger and cold. Municipal kitchens, set up early in the war, fed as many people as possible with the meagre food stocks at hand. Dutch officials in charge of food distribution were forced to reduce the daily ration from 1,500 calories in September to starvation-level to 100 in November and then lower still. People foraged for extra food to survive, and to get wood to heat their homes they ripped apart abandoned buildings and deforested the landscape. Conditions worsened steadily in the early months of 1945. Much of the population suffered from the swollen legs and faces of "hunger edema". The death rate climbed, and the early clamour of protest gave way to eerie silence that one journalist explained succinctly: "Those who are hungry shout, but those who are starving keep still." Not entirely still. The victims sent their government - in - exile in London secret messages begging for a relief army. But the Allies, committed to the invasion of Germany and fearing that an attack in Holland's north country would provoke the Germans into opening the dikes and flooding the lowlands, did not send help until late April. By then, it was too late for 100,000 - 150,000 men, women and children.

Hartney School News

February is "I Love to Read Month". Various activities are being held throughout the month to promote and celebrate reading. We encourage all age of students to participate in the events that Mrs. Skelton has planned, including Bingo, contests, activities, and dress up days. We want ALL students to have a lifelong love for reading.

On Friday, February 21, Boundary Co-op Staff and Management will come to Hartney School to Read to the K-6 classes, as well as celebrate "I Love to Read Month" with pizza!

Fundraiser

The grade 2/3 class is learning about Australia and have learned about the devastating wildfires that has destroyed land and taken the lives of many animals. CJ Morrison and his classmates talked about how they would like to help the animals of Australia , and he came up with an idea.

On February 13 and 14 during lunchtime, C.J. sold **"Little Debbie's Valentine Cakes"** for \$1 each. At the time of publication, he did not have a total.

Boundary Co-op together with Weston's donated the cakes for this fundraiser - so a big thank you to them for helping out!

What's happening at the Museum?

The Anglican Church congregation from Souris visited for a Carol Service in late Dec. and will be back on March 29th. The United Church held it's annual meeting and church service in the museum as their meeting areas are occupied by Twice as Nice. The great news is that we received word that we had been awarded a federal government grant for the stair lift project so that will begin shortly and should be operational when we open in the summer.

What we are looking for at the Museum

We have had several private tours of the museum over the past two months and would like to remind everyone that we are happy to do that. If you would like a tour the museum, please call Dawne McKenzie at 858-2071, Barb Lee at 858-2358, Jack and Eleanor Vandusen at 858-2064 or Pat Phillips at 858-2127.

November 13/2019

Loraas Disposal South is pleased to provide the following information regarding our waste collection service.

Waste bins for farm yards:

Front end sizes and price

3 yard bin - \$21.00 per empty - approx 12 bags
 4 yard bin - \$28.00 per empty - approx 18 bags
 6 yard bin - \$42.00 per empty - approx 30 bags

These prices are emptying the waste in your landfill.

These bins would be on an every 4 week schedule.

I would like a minimum of 50 bins to start this program.

If you decide to go with this program I will deliver the first batch of bins at N/C.

Note: Extras are GST and fuel, fuel is around 9% right now. It floats with the price of diesel.
