A BIG THANK YOU TO GREG MORRISON!

The Council and staff of the Municipality of Grassland would like to extend a heartfelt thank you to **Greg Morrison** for stepping up and helping with grass cutting while we've been short-staffed.

After serving as our Public Works Foreman for many years, we figured Greg had earned a break from municipal duties… but apparently, you can take the man out of Public Works, but you can't take Public Works out of the man! And it's safe to say, he's still got it!

Greg, your willingness to lend a hand and help keep our municipality looking its best has not gone unnoticed.

We truly appreciate your time, hard work, and continued dedication to our community.

Thank you, Greg! We might have to keep your number on speed dial!

Lauder Community’s Annual Cancer Fundraising for 2026

Lauder Community has once again risen to the occasion on two different accounts that being for fundraising & cancer awareness. The first event was The Terry Fox Run, with the community’s chosen date, Sunday, September 13th. The total dollar amount realized was $2235.00, plus the sale of 10 Terry Fox shirts.

In less than a month’s time, the Lauder Ladies Group, hosted their 21st Annual Cancer Tea. Every dollar raised at this event, graciously directed to our local Chemotherapy Facility at Deloraine Health Centre. Accumulatively, throughout 2026, a total of over $3700.00 was raised for the Chemo Department.

Please know how deeply appreciative Lauder is of each of you with your unfailing support, the many businesses in the surrounding communities who faithfully support our raffle prizes, which were an awesome number of 43, plus another 16 monetary or merchandise certificates. Approximately 70 attendees signed our guest book. We so value your attendance. There are all the people behind the scenes that always step forward to help “set up”, “take down” and provide the tasty refreshments and work tirelessly throughout the day. Sincere thanks also to Verna Vanhove, who willingly sets up a table, laden with sought after homemade buns, bread, handmade quilt and a variety of hand-sewn bags. Money taken in, is included in our community total, that being $365 this year.

You are all helping in one capacity or another to “make a DIFFERENCE” for cancer patients and families faced with navigating this disease. Let us continue to do our part.

U11 Hartney Hoppers Softball – What a Season!

What an incredible season for our U11 Hartney Hoppers! The girls finished their regular season with an impressive 10 wins and only 3 losses! The Hoppers headed to Killarney for their league tournament, where they battled through an exciting double-overtime game to earn their spot in the finals! Although they fell just short of the championshtip, they proudly brought home 2nd place!

Next stop was Provincials! The girls had an amazing time, kicked things off with a win in their first game, and even made the best of a lengthy rain delay by turning the dugouts into their own little dance party!

This is truly a fantastic group of girls who know how to work hard, play hard, and most importantly, HAVE FUN! Their teamwork, determination, and love for the game made this a season to remember.

Way to go, Hoppers! We are so proud of you girls!

U11 Hartney Hoppers Baseball

The U11 Hartney Hoppers had a fantastic season, finishing 6th out of 13 teams! We couldn't be more proud of these boys, especially considering they were the youngest team in the league, with only one major aged player!

Despite being a young team, the boys worked hard, improved throughout the season, and showed they could compete with the older teams. They played with determination, teamwork, and plenty of heart!

Great season, boys! We can't wait to see what next year brings!

League play included games with Deloraine, Reston, Melita and Souris in the West division. We attended the Virden tournament May 30th and had a successful day of softball hosting our own mini tournament at Hartney softball Day June 7th. We rounded out the year with the very chilly league tournament in Killarney on June 13th. Thank you to all the kids, parents, coaches and Hartney minor ball board for a wonderful softball season!

Anne Marie FOUSSARD

Anne Marie Foussard, 87 passed away at the Souris Health Centre on September 9th, 2026 with her family by her side.

She is lovingly remembered by her children; Michael Foussard and Leanne Wiebe and her grandchildren Téa (husband Jayden Wall) and Nicolas.

She was pre-deceased by her parents Nick and Annie Careme, her younger brother Raymond (wife Margaret) and her son-in-law Ryan Wiebe (Leanne).

Marie was an incredible daughter, mother, grandmother and friend. She lived with great passion, loved deeply and had a wonderful little twinkle in her eye. Her greatest gift was a generous heart and a joyful spirit that she poured into everyone she knew and everything she did. We are so proud of you and the life that you lived and the impact you had on so many lives!

Marie grew up in several small rural south-western Manitoba towns. In 1958, after completing high school and the required one year of teacher's training, she began her teaching career in the smaller community schools of Underhill, Rivers and Dand. Teaching brought her so much joy. In 1973 the family moved to Morden, where Marie taught while earning her Bachelor Degree in Education and served as teacher and Vice Principle for the remaining 25 years of her career.

In 1999, at the age of 60, Marie retired to the family farm by Hartney. She enjoyed this second chapter of her life as much as the first one.

In 2013, Marie's life changed drastically when she was diagnosed with dementia. Even as her life began to slow down, one of the greatest Blessings was that the disease in no way diminished who she was, her unconditional love, her laughter and Joyful mischievous spirit. She was able to find a new way of enjoying her final years.

As a family we are profoundly thankful for all the years we were given with Mom and the time to make sure no important word was left unspoken. We miss you Mom!!

We wish to extend our heartfelt gratitude for the compassionate and dignified care Mom received from the medical teams at the Souris and Melita Health Centres. We would also like to thank our family and friends for their on going love and support.
Mom's funeral service was held Saturday September 19th is Souris with internment at the Grande Clairière Cemetery beside her parents.

In lieu of flowers, donations may be made to the Palliative Care Unit at the Souris Health Centre.

Thank You!

to **Monica Kirk** and the **Hartney Events Committee**
for collecting non-perishable food donations from vendors at the October Hartney Harvest Fair in support of the Hartney Food Cupboard.

Your generosity is greatly appreciated!

Thank You, Theo Beernaert!

Four-year-old Theo Beernaert grew pumpkins in his garden and sold them to raise money to buy groceries for the Hartney Food Cupboard.

His thoughtfulness and generosity are a wonderful example of how even the youngest members of our community can make a big difference.

Pictured is Theo with Audrey Keeler, representing the Hartney Food Cupboard.

Thank you, Theo, for your kind heart and for helping others in our community!
